

## Revolution EHR IDA Installation Guide

## Revolution EHR Frames Data IDA Installation Guide

## Integration

To authenticate your Frames Data IDA-R subscription in Revolution:

- 1. Navigate to Admin -> Vendors/Partners -> Frames Data
- 2. Select Enabled to enter credentials. Note: The default setting is Disabled.
- 3. Enter the credentials supplied by Frames Data.
- 4. Select the employee for the point of contact for Frames Data.

Frames Data		
If your practice does not have a Fra	ames Data subscription, click here to learn more. If your practice has a subscription but it's expired visit	www.framesdata.com or call (800) 821-6069 ext. 1.
Enabled Disabled		
Username *	<insert here="" username=""></insert>	
Subscriber Shipping Zip Code *	<insert code="" here="" shipping="" subscriber="" zip=""></insert>	
Subscriber Billing Zip Code *	<insert billing="" code="" here="" subscriber="" zip=""></insert>	
Number of Locations $oldsymbol{ heta}$ *	1	
Contact 😡 *	Beecher, Julie	
Status	Active (09/20/2019)	
Expires On	01/31/2021	
Save × Cancel		

5. Click 'Save.'

Note: If the credentials entered are valid, a success message displays and the "Status and Expires On" fields update. If the credentials entered are invalid, a message displays with information about the error.

6. Log out and log back in to see the changes associated with enabling Frames Data. This is required for it to work!
